Subject: Request for Advice: Taronga Zoo - Landscape Updates - 2A Bradleys Head Road, Mosman (SSD 10456 MOD 2)

Dear Ms Craig

Thank you for your email received 23 March 2022 seeking comments on the above proposal. Environment, Energy and Science Group (EES) has reviewed the revised Biodiversity Development Assessment Report (BDAR), dated March 2022.

EES considers that the aspects raised in advice dated 8 March 2022 (reference: DOC22/156657) have been addressed. This includes EES having adequate access to the case in the BAM-C, the BDAR has been adequately certified, the date of the certification is the same as the date on the credit report, and the required GIS data has been provided.

If you have any queries please contact David Way, Senior Conservation Officer via David.Way@planning.nsw.gov.au or 02 8275 1324.

Yours sincerely,

Susan Harrison
