Dear Catriona

**Advice regarding Environmental Impact Statement – State Significant Development –  
42 Raymond Avenue Multi-level Warehouse Matraville (SSD – 31552370)**

---

I refer to your correspondence received by Heritage NSW (HNSW) on 8 April 2022, requesting review of the *Environmental Impact Statement (EIS): 42 Raymond Avenue, Matraville*, prepared by Urbis and dated 11 March 2022.

The submission of **draft** documentation in relation to Aboriginal cultural heritage matters is noted. HNSW does not review material submitted in draft format and is unable to provide comment on the SSD at this stage. Please ensure all documentation referred to HNSW for review and advice is finalised.

If you have any questions regarding the above, please contact Rebecca Yit, Senior Assessments Officer on [rebecca.yit@environment.nsw.gov.au](mailto:rebecca.yit@environment.nsw.gov.au)

Yours sincerely
