Dear Ms Monk

SSD 6236 – Eastern Creek Energy from Waste Facility

Thank you for your correspondence dated 13 April 2022 requesting our comments on the amended application which removed floc waste from the waste to be processed at the facility.

I wish to advise that, Blacktown City Council was joined as a party to the Land and Environment Court Class 1 appeal proceedings brought by The Next Generation Pty Ltd against the Independent Planning Commission's refusal of SSD-6269 (Proceedings No. 2019/13009). On this basis, Council will respond to the amended application through the Court process and will not be making a separate submission in response to the exhibited amendment.

If you would like to discuss this matter further, please contact Judith Portelli, our Manager Development Assessment, on 9839 6228.

Yours faithfully

Peter Conroy
Director City Planning and Development
