Dear Ms Mazaheri,

RE: KURRI KURRI LATERAL PIPELINE PROJECT(SS1-22338205)

I refer to our recent discussions and the review of the Environmental Impact Statement provided for the above project.

Given the minimal impacts on the Maitland Local Government Area, and the likely jobs created, no objection is raised to the EIS.

Should you have any questions in relation to this, please don't hesitate to contact me on 0409 844 556.

Yours sincerely

Andrew Neil
Manager Strategic Planning
