Dear James,

Re: Advice on RESPONSE TO SUBMISSION (RTS) - DORAN DRIVE PLAZA PRECINCT (SSD-15882721) (THE HILLS SHIRE).

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on the 28 APRIL 2022, requesting advice on the RTS for DORAN DRIVE PLAZA PRECINCT (SSD-15882721) (THE HILLS SHIRE). FRNSW have reviewed the RTS Report dated April 2022 along with supporting documentation and make the following comments:

It is deemed that the proposal has limited scope and application in regard to special hazards or special problems of firefighting. FRNSW submit no comments or recommendations for consideration, nor any requirements beyond that specified by applicable legislation.

While there is currently no requirement for a fire safety study, FRNSW may recommend one be undertaken at a later stage should information be provided such it is deemed that the development poses unique challenges to the response to and management of an incident.

For further information please contact the Operational Liaison and Special Hazards Unit, referencing FRNSW file number BFS22/1859. Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read "John Hawes".
