Dear Dominic Crinnion,

Re: Advice on Modification 2 Application – Walla Walla Solar Farm (SSD-9874-MOD-2).

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on 28 April 2022, requesting input into the Modification 2 Application for the Walla Walla Solar Farm (SSD-9874-MOD-2). FRNSW have reviewed the Modification 2 Application document and make the following comments:

FRNSW have considered the proposed modifications and deem them such, that they do not warrant providing any recommendations regarding the fire safety and emergency response management aspects of the project at this stage.

For further information please contact the Operational Liaison and Special Hazards Unit, referencing FRNSW file number BFS22/1861. Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read "John Hawes".
