Dear Brittany,

**RE: SSD 5012 Mod 3, Atlas-Campaspe Mineral Sands Mine, Ore Mod**

Thank you for the opportunity to make comment in relation to the modification report for the Atlas-Campaspe Mineral Sands Mine Mod 3 Ore Mod.

Council Engineering staff have no concerns with the proposed changes although the Tronox proposal for the start of haulage on the 18<sup>th</sup> or 26<sup>th</sup> of July 2022 is wishful thinking as the haul road has not been constructed to an acceptable level or the approved design.

Should you require additional information in relation to these matters, please do not hesitate to make contact at your convenience.

Yours faithfully,

Kerry Jones

**Executive Manager - Engineering**
