Dear Mr Bloxham

EIS Eastern Creek REP Throughput Increase – SSD-11606719

Thank you for your email notification dated 12 July 2022 inviting WaterNSW to comment on the above proposal.

Please note that as the subject site is not located in close proximity to any WaterNSW land or assets, and as an SSD any flood works or licensing approvals will be assessed by others, the risk to water quality is considered to be low and WaterNSW has no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of all developments that may impact on our assets, infrastructure or land, using the email address Environmental.Assessments@watarnsw.com.au.

Yours sincerely
