PACIFIC MOTORWAY (M1): MP07_0162-MOD-1, ADDITIONAL STAGING TO STAGE 2 - WARNER INDUSTRIAL PARK - SPARKS ROAD, KIAR RIDGE ROAD & HUE HUE ROAD JILLIBY

I refer to the abovementioned Modification to the Major Project approval MP07_0162 as modified referred to Transport for NSW (TfNSW) on 2 August 2022 for comment.

TfNSW key interests are the safety and efficiency of the transport network, the needs of our customers and the integration of land use and transport in accordance with Future Transport Strategy 2056.

The Pacific Motorway (M1) is a declared Freeway and a classified State Road. Council is the roads authority for both roads and all other public roads in the area, including Sparks Road between the intersection of Hue Hue Road and the Warnervale interchange, in accordance with Section 7 of the *Roads Act 1993*.

TfNSW has reviewed the information provided and raises no objection to or requirements for the proposed modification as it is considered there will be no significant impact on the nearby classified (State) road network.

ADVICE

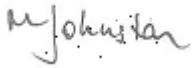

The following comments are provided to assist the consent authority in making a determination:

- Implications for the performance of the proposed Hue Hue Road access and existing Sparks Road/Hue Hue Road intersection are matter for Central Coast Council's consideration as the relevant roads authority.
- The proposed secondary access from Kiar Ridge Road to proposed Stage 2B is a matter for Central Coast Council's consideration as the relevant roads authority.
- It is noted that revised Condition 2.1 as provided in the proposed modified conditions (Attachment D) should be amended to 'Stage 2A to 2B' as it is incorrectly drafted as 'Stage 2A to 2D'.
