Dear Sheelagh

Gunnedah Waste Facility

Thank you for your referral through the Major Projects Portal dated 18 August 2022 to the Biodiversity, Conservation and Science Directorate (BCS) of the Department of Planning and Environment inviting comments on the proposed amendment to the Gunnedah Waste Facility.

BCS notes that the development was subject to a BDAR waiver. As there are no changes to the projects footprint or impacts to biodiversity, BCS has no specific comments to make on the proposal at this stage.

Yours sincerely
