Dear Marcus,

Thank you for your correspondence dated 6 September 2022 inviting the City of Sydney to provide advice on Modification 5 to SSD 6965. The modification relates to Building R4B in Barangaroo South and includes changes to the ground floor façade including changes to doors on the north-eastern and eastern frontages and amendments to the Level 2 pool terrace fencing and garden.

The City does not wish to raise any issues in relation to the abovementioned modifications proposed under Mod 5.

It is understood that a concurrent modification to SSD 8892218 has been submitted that includes changes to the upper levels of the tower. The City will provide comments on that modification separately.

If you have any queries, please do not hesitate to contact me on the below details.

Kind regards,
