Dear Ms Abou Saleh

**Port Kembla Gas Terminal - SSI 9471 – MOD 5
Off-Shore Dumping of Dredged Material – Australian Industrial Energy Pty Ltd**

I am writing in response to the Department of Planning and Environment's request for comments on the above modification by 29 September 2022.

The Environment Protection Authority (EPA) recently provided comment directly to Australian Industrial Energy Pty Ltd (AIE) which have been included as an attachment to the modification request (our reference DOC22/486945-2).

The EPA has reviewed the proposal and has no further comment with regards to the modification. AIE holds Environment Protection Licence 21529 and must ensure that it complies with all licence requirements and the *Protection of the Environment Operations Act 1997*.

If you have questions regarding the above, please phone on (02) 4224 4100.

Yours sincerely
