Dear Renah

**Heritage NSW - Aboriginal Cultural Heritage - Response to Submissions – Powerhouse Ultimo Renewal (SSD-32927319)**

Thank you for your referral, dated 29 September 2022, inviting comments from Heritage NSW on the above State Significant Development (SSD) response to submissions, with respect to Aboriginal cultural heritage. Heritage NSW has reviewed the following documents:

- Section 1.5 (Heritage NSW – Aboriginal Heritage) of *Appendix A – Response to Submissions*, dated 20 September 2022; and
- *Aboriginal Cultural Heritage Assessment Report: Powerhouse Ultimo Renewal Project*, prepared by Curio Projects, issue date 7 July 2022 (Final Version), which was provided to Heritage NSW by the Department of Planning and Environment (DPE) via email on 18 July 2022.

It is noted that, in response to Heritage NSW's Environmental Impact Statement comment nos. ACH-9 and ACH-10, the applicant states that “*No objections are raised to these recommendations being required as future environmental assessment requirements to be satisfied during the preparation of the Detailed (Stage 2) State Significant Development Application.*” In order to ensure these matters are adequately addressed, we request that DPE consults with Heritage NSW on the proposed Secretary's Environmental Assessment Requirements for the Detailed Stage 2 SSD at that time.

Heritage NSW has no further comments in relation to Aboriginal cultural heritage.

If you have any questions regarding the above advice, please contact Sam Gibbins at Heritage NSW on 9895 6586 or via email at [samantha.gibbins@environment.nsw.gov.au](mailto:samantha.gibbins@environment.nsw.gov.au).

Yours sincerely
