Dear Sally

**Subject: Woodlawn Advanced Energy Recovery Centre (SSD 21184278)  
Letter of formal objection to proposal**

---

An Extraordinary meeting of Council was held on 29 November 2022. At this meeting, Council considered a staff report in relation to the proposal's Environmental Impact Statement (EIS) to which a submission has been made.

In addition to the submission on the EIS, Council resolved to provide the NSW Department of Planning and Environment with a letter under separate cover advising of its objection to the proposal.

Accordingly, please be advised that Council formally objects to the proposed Woodlawn Advanced Energy Recovery Centre (SSD 21184278) located at 619 Collector Road, Tarago.

If you require any further information, please contact me on (02) 4823 4486.

Yours sincerely
