Dear Mr Auster

Americold Prospect Expansion (SSD-9577613) (Cumberland)

Thank you for your Major Projects Planning Portal notification dated 9 November 2022, inviting WaterNSW to provide advice on the Environmental Impact Statement (EIS) for the above proposal.

Please note that as the subject site is located downstream and outside WaterNSW's Prospect Special Area, and as an SSD any flood works or licensing approvals will be assessed by others, the risk to water quality is considered to be low and WaterNSW has no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of all developments that may impact on our assets, infrastructure or land, using the email address Environmental.Assessments@watarnsw.com.au.

Yours sincerely
