**Americold Prospect Expansion (SSD-9577613)
No Comment on Environmental Impact Assessment**

Dear Mr Auster

I refer to your invitation to the NSW Environment Protection Authority (EPA) to provide advice or conditions on the Environmental Impact Statement for the proposed Americold Prospect Expansion located at 554-562 Reservoir Road, Prospect.

Based on the information provided, the EPA has no comment on this proposal and no further consultation is required. This is because:

- the proposal does not constitute a Scheduled Activity under Schedule 1 of the *Protection of the Environment Operations Act* (1997) and so, will not require an Environment Protection Licence under this Act,
- the proposal is not being undertaken by or on behalf of a NSW Public Authority, nor are there activities for which the EPA is the appropriate regulatory authority.
- the site is not being regulated by the EPA under the *Contaminated Land Management Act* (1997).

Please contact Heidi Naylor on 66402553 or email environmentprotection.planning@epa.nsw.gov.au if you wish to discuss this matter.

Yours sincerely
