MP08/0184 – MOD 6: S4.55 MODIFICATION – UNDERGROUND MINING EXTENSION & INCREASED MINING EXTENT – MID WESTERN ULAN COAL MINE

I refer to the request by the Department of Planning and Environment (DPE) dated 16 November 2022 seeking input from Transport for NSW (TfNSW) to the S4.55 Modification for the abovementioned development proposal.

Castlereagh Highway (HW18) and Golden Highway (HW27) are classified State roads. Cope Road (MR214) and Ulan Road (MR598) are classified Regional roads. Council is the roads authority for all public roads in the area, in accordance with Section 7 of the *Roads Act 1993*.

TfNSW has reviewed the information provided and raises no objection to or requirements for the proposed modification as it is considered there will be no significant adverse impact on the nearby classified (State) road network.

If you have any questions, please contact Masa Kimura, on email development.west@transport.nsw.gov.au.

Yours faithfully
