Dear Ms Barnett,

**Modification 3 Penrith Glass recycling Volume Increase (SSD-5267-Mod-3)**

Thank you for your Major Projects Planning Portal referral dated 1 December 2022, requesting WaterNSW's advice in relation to the above Modification.

Please note that as the subject site is not located close to any WaterNSW land or assets, and as an SSD any flood works or licensing approvals will be assessed by others, the risk to water quality is considered to be low and WaterNSW has no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of all developments that may impact on our assets, infrastructure or land, using the email address [Environmental.Assessments@waternsw.com.au](mailto:Environmental.Assessments@waternsw.com.au). If you have any questions regarding this letter, please contact me at [alison.kniha@waternsw.com.au](mailto:alison.kniha@waternsw.com.au).

Yours sincerely
