Emma Barnet  
NSW Department of Planning and Environment  
Locked Bag 5022  
PARRAMATTA NSW 2124

Dear Emma,

**Re: Advice on Modification 3 – Visy Penrith Glass Beneficiation Facility – 126 Andrews Road, Penrith (SSD-5267)**

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on 01 December 2022, requesting advice on Modification 3 for Visy Penrith Glass Beneficiation Facility – 126 Andrews Road, Penrith (SSD-5267). FRNSW have reviewed the Modification Report.

FRNSW note works to the firefighting infrastructure in 2020 and the implementation of ongoing administrative controls to reduce the risk of fire at the site.

Given the size and complexity of the proposed facility, and to ensure first responders have information readily available to render safe any incident, FRNSW make the following recommendations:

1. That an Emergency Response Plan (ERP) is developed / updated for the site in accordance with the Hazardous Industry Planning Advisory Paper (HIPAP) No.1<sup>1</sup>.
2. That an Emergency Services Information Package (ESIP) be prepared in accordance with FRNSW fire safety guideline – Emergency services information package and tactical fire plans<sup>2</sup>.
3. That the facilities operations continue to be consistent with FRNSW guideline Fire safety in waste facilities<sup>3</sup>.

For further information please contact the Operational Liaison and Special Hazards Unit, referencing FRNSW file number BFS22/6212. Please ensure that all correspondence in relation to this matter is submitted electronically to [firesafety@fire.nsw.gov.au](mailto:firesafety@fire.nsw.gov.au).

Yours sincerely,

Superintendent James O'Carroll  
Manager  
Operational Liaison Special Hazards Unit
