Dapper Solar Farm

The Department of Planning and Environment – Crown Lands has reviewed the proposal.

It is noted that waterways known as Sandy Creek and Spring Creek are within the project area (refer Table 4-2 on page 24 of the Dapper Solar Farm Scoping Report).

Information on water boundary determination can be found on the Crown Lands website here - <https://www.crownland.nsw.gov.au/resources/water-boundary-determination>.

Should it be determined that the waterways are Crown waterways and use/occupation is required; consent from this department will be required.
