NSW Department of Planning and Environment  
Locked Bag 5022  
PARRAMATTA NSW 2124

Dear Rose-Anne,

**Re: Advice on Secretary's Environmental Assessment Requirements (SEARs) – Narrabri Lateral Pipeline - SSI-53307723**

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on the 11 January 2023, requesting input into the preparation of the SEARs for the Narrabri Lateral Pipeline - SSI-53307723. FRNSW have reviewed the SEARs along with the Scoping Report and make the following comments:

There is currently insufficient information available regarding the fire safety and emergency response management aspects of the project. FRNSW requests to be consulted and given the opportunity to review and provide comment regarding the hazard and risk analysis at the EIS stage of the project.

For further information please contact the Operational Liaison and Special Hazards Unit, referencing FRNSW file number BFS22/90. Please ensure that all correspondence in relation to this matter is submitted electronically to [firesafety@fire.nsw.gov.au](mailto:firesafety@fire.nsw.gov.au).

Yours sincerely,

A handwritten signature in black ink, appearing to read "James O'Carroll".

Superintendent James O'Carroll  
Manager  
Operational Liaison and Special Hazards Unit
