Dear Judith,

In reference to Notice of Exhibition - Narwee Parklands Seniors Housing (SSD-45024776)

Ausgrid would like to thank you for seeking input and feedback regarding the Environmental Impact Statement (EIS). Ausgrid has undertaken a review of the EIS and associated information in relation to potential impacts or interfaces with Ausgrid's electricity infrastructure.

Ausgrid requires that due consideration be given to the compatibility of proposed development with existing Ausgrid infrastructure, particularly in relation to risks of electrocution, fire risks, Electric & Magnetic Fields (EMFs), noise, visual amenity and other matters that may impact on Ausgrid or the development.

Ausgrid notes the requirement for additional load to the development and recommends the proponent make the necessary connection application to Ausgrid as soon as practicable.

Please do not hesitate to contact me for further information.

Regards,
