Dear Anthony

**Project: Wallerawang Quarry Modification 3**  
**Stage: Response to Submissions**  
**Development Application: DA344-11-2001-Mod-3**

I refer to your correspondence dated 2 October 2019 inviting the Division of Resources & Geoscience (the Division) to provide comments on the *Wallerawang Quarry Modification 3 Project* (the Project) submitted by Walker Quarries Pty Ltd (the Proponent).

The Division has reviewed the Response to Submissions document and has no further comment at this time.

The Division requests to review the draft conditions of approval prior to finalisation and any granting of development consent. The Division has determined that, should the Project be approved, identified risks or opportunities can be effectively regulated through the conditions of mining authorities issued under the Act.

For further enquiries relation to this matter, please contact the Assessment Coordination Unit – Resource Assessments on 02 4063 6534 or [assessment.coordination@planning.nsw.gov.au](mailto:assessment.coordination@planning.nsw.gov.au).

Yours sincerely
