Dear Nathan

**Re: Modification Application and Report for the MOD 1 - Removal of Environmental Flows Pipeline (SSI-8609189)**

I refer to the request to provide comments on the abovementioned State Significant Development application.

The proposed modification involves development outside of the Liverpool LGA, and does not have an impact of development within our LGA. Therefore, Council has no comments on the proposed development.

Should you require further information from Council please contact me.

Yours sincerely,
