**RE: Notice of exhibition  
Modification of existing development consent – SSD-17491477  
Parkside Crescent, CAMPBELLTOWN**

Thank you for the opportunity to review an application to modify the existing development consent to construct and operate the “Lang Walker AO Medical Research Building” at Campbelltown Hospital.

The Council has reviewed the applicant’s documentation and makes the following comments:

- Retention of the previously-approved architectural aesthetic is acknowledged and supported.
- No specific changes to existing or new conditions are requested, beyond acknowledging the changes to plans in Condition A2 should the modification be approved.

If you wish to discuss this letter further, please contact me on (02) 4645 4608 or email [andrew.macgee@campbelltown.nsw.gov.au](mailto:andrew.macgee@campbelltown.nsw.gov.au).

Yours faithfully,

Andrew MacGee
