Dear Anastassia,

RE: Moomba to Wilton Pipeline Mod 4 – SSI15548591 - Public Authority Consultation

I am writing in reference to the public authority consultation of the Moomba to Wilton Pipeline project.

Our main concern is the ongoing management and maintenance of the local road network, in particular Crown Camp Road to Council's satisfaction. The applicant has not addressed this in the Traffic Impact Assessment and we note the application is heavily focused on impacts associated with Camp 4 and Camp 5.

If you would like to discuss the matter or have any questions please contact me.

Kind Regards,

Bryce Koop
