**Subject: Response to Submissions - Cockle Bay Wharf Concept - Envelope amendments (SSD-7684-Mod-1) and Cockle Bay Wharf mixed use development (SSD-9978934)**

Dear Mr Glasgow

Thank you for your emails dated 23 December 2022 requesting input from the Environment and Heritage Group (EHG) on the Response to Submissions for each of the above proposals.

EHG notes that its combined advice dated 29 November 2021 raised no biodiversity or flooding concerns, but recommended consultation with the NSW State Emergency Service in relation to flood and evacuation. EHG understands that this consultation has occurred and thus has no further comments.

If you have any queries please contact Dana Alderson, Senior Project Officer Planning via [dana.alderon@environment.nsw.gov.au](mailto:dana.alderon@environment.nsw.gov.au).

Yours sincerely,
