Dear Kristina,

Western Coal Services (SSD-5579-Mod-6) – Modification 6 - Residuals Transfer Increase, Castlereagh Highway Lidsdale NSW 2790

Reference is made to the abovementioned project and your request for comment for the proposed modification (Mod 6) to increase the average annual and maximum residual transfer between the pre-treatment section of the Springvale Water Treatment Plant (SWTP) to the Western Coal Services (WCS) Reject Emplacement Area (REA) from:

- Annual average residual waste transfer via the Residuals Transfer Pipeline (RTP) of 0.35 ML/day to 0.50 ML/day; and
- Maximum residual waste transfer via the RTP of 0.43 ML/day to 1.00 ML/day.

It is noted that no additional infrastructure is required for the modification.

As such Council has no objection to the modification subject to Council's original conditions remaining on the consent.

Please do not hesitate to contact the undersigned Monday to Friday on (02) 63549999, in Council's Building and Development Department should you have any queries in relation to this matter.

Yours sincerely

Lauren Stevens
