Locked Bag 5022
PARRAMATTA NSW 2124

Dear James,

Re: Advice on Secretary's Environmental Assessment Requirements (SEARs) – JINDERA BESS - 140 ORTLIPP ROAD, JINDERA NSW (SSD-68815961)

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on 22 March 2024, requesting input into the preparation of the SEARs for the JINDERA BESS - 140 ORTLIPP ROAD, JINDERA NSW (SSD-68815961). FRNSW have reviewed the SEARs along with the Scoping Report with particular focus to Section 3 Project Description and 6.1.11.2 Hazard and Risk.

FRNSW notes the Scoping Report details a 250 MW/ 500 MWh BESS. BESS facilities present special problems of firefighting and special hazards exist that may require additional fire safety and management measures.

There is currently insufficient information available regarding the fire safety and emergency response management aspects of the project. If required, FRNSW will review and provide comment at the Exhibition stage of the project.

For further information please contact the Operational Liaison and Special Hazards Unit, referencing FRNSW file number BFS24/1638. Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read "James O'Carroll".

Superintendent James O'Carroll
Manager
Operational and Liaison and Special Hazards Unit
