Dear Ms Starkey

**Secretary's Environmental Assessment Requirements
Proposed Mixed Use Development – 1 Dane Drive, Gosford (SSD 10374)**

Thank you for consulting with the Environment Protection Authority (EPA) in regard to the Secretary's Environmental Assessment Requirements for the proposed mixed-use development (SSD 10374) at 1 Dane Drive, Gosford.

Based on the information provided, the proposal does not appear to require an environment protection licence under the *Protection of the Environment Operations Act 1997*. Furthermore, the proposal is not being undertaken by or on behalf of a NSW Public Authority, nor does the proposal involve other activities for which the EPA is the Appropriate Regulatory Authority.

In view of these factors, the EPA has no further interest in the proposal and no further consultation is required.

Central Coast Council should be consulted as the Appropriate Regulatory Authority for the proposal.

If you have any questions about this matter, please contact Matthew Corradin on 02 4908 6830 or by email to hunter.region@epa.nsw.gov.au

Yours sincerely

MITCHELL BENNETT
