Dear Mr Williams,

Request for SEARs – Marsden Park Data Centre SSD-70889211

Thank you for your Major Projects Planning Portal referral dated 17 May 2024, requesting WaterNSW's advice in relation to the above SEARs. It is understood that the project will involve the development of a 504 MW data centre facility.

WaterNSW has reviewed the information provided on the Portal and notes that the subject site is not located close to any WaterNSW land or assets. Also, as an SSD any flood works or licensing approvals will be assessed by others. As such, WaterNSW has no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of all developments that may impact on our assets, infrastructure or land, using the email address Environmental.Assessments@waternsw.com.au. If you have any questions regarding this letter, please contact me at alison.kniha@waternsw.com.au.

Yours sincerely
