Dear Ms Lane,

The New Forest High School - SSD-26876801- Modification 1 and Modification 2 – Allambie Road, Allambie Heights.

Thank you for the opportunity to review and provide comments on the subject modifications proposed to the New Forest High School development at Allambie Heights.

Council has reviewed the modifications and notes that Modification 1 ('Mod 1') involves selected changes to various elements of the school buildings, pathways and ancillary structures which overall are minor design refinements to the school. No objection is raised to the proposed changes to the approved architectural and landscape plans with Mod 1.

Modification 2 ('Mod 2') is limited to tree removal (a cluster of 11 trees) where those trees would otherwise encroach the playing field area. No objection is raised to the proposed changes to the landscape plans with Mod 2.

Should you require any further information or assistance in this matter, please contact my office on 8495 6451.

Yours sincerely

Peter Robinson
Executive Manager Development Assessment
