Dear Judith,

Property: 763-769 Pacific Highway, Chatswood

Reference: SSD-59805958

Agency Ref: 72251956

Jemena Gas Networks (**Jemena**) has reviewed and assessed the planning proposal referenced above. Jemena has given consideration to the potential safety and impacts on and from the Jemena gas pipelines located to the east of the proposed development.

Jemena confirms that it has no objection or comments regarding the proposed development.

In assessing the development application, Jemena can confirm that it operates a high pressure pipeline, which is located approximately 15m to the south of the proposed development area. Owing to the physical separation between the proposed development and the Jemena high pressure gas pipelines, it is anticipated that there will be no impact deriving from the development, or the continued operation of the pipeline.

If you have any questions or queries, please do not hesitate to contact the undersigned.

Kind regards,

Robert Campbell
Lands Management Officer
