Stage: Advice on Secretary's Environmental Assessment Requirements

Development Application: SSD-72430958

Dear Samantha

I refer to your correspondence dated 25 June 2024 inviting the Department of Primary Industries and Regional Development – NSW Resources to provide comments on the Finley BESS (the Project) submitted by BESS Pacific Pty Ltd (the Proponent).

NSW Resources has reviewed the information supplied in relation to the abovementioned Project and based on the review has no specific comments in relation to *Mining Act 1992* considerations and raises no issues regarding the Project at this stage.

NSW Resources has no additional requirements to those in the draft SEARs and advises the Proponent to actively monitor the MinView map viewer at <https://minview.geoscience.nsw.gov.au> for mining title changes that may interact with this project. NSW Resources can assist with title holder contact details if required.

For further advice on this matter, please contact Elisa Paull, Project Officer, Industry Advisory & Mining Concierge unit - Industry Development branch on 02 4063 6860 or mining.concierge@regional.nsw.gov.au.

Sincerely
