Dear Jeffrey

Thank you for your referral to WaterNSW for the review of the Environmental Impact Statement (EIS) for the NEXTDC S5 Data Centre and Innovation Hub (SSD-63168959).

As the proposal is not located near any WaterNSW land, assets or infrastructure, we have no particular comments or requirements regarding the proposal. No further consultation is required with regards to this project.

We request that the Department continues to consult with WaterNSW for any development that may impact on our assets, infrastructure or land, using the email address [Environmental.Assessments@waternsw.com.au](mailto:Environmental.Assessments@waternsw.com.au)

I will upload this email to WaterNSW's dashboard on the Major Projects portal.

If you have any questions please do not hesitate to reach out.

Kind Regards
