Thanks for your email. Instead of withdrawing the engagement, it would be good to have a paper trail that confirms the advice below.

Would you mind please just replying with no comment.

Hi Sally

I noticed this referral in our Major Projects Dashboard. As it is not located near any WaterNSW lands or assets I was hoping you might be able to take it off our dashboard as a referral, as we don't need to respond.

If not possible, please let me know and I will close it out with a no comment response.

Thank you
