Dear Ms Hather

**Harbourside Shopping Centre Redevelopment - Darling Drive, Darling Harbour  
(SSD-49295711-Mod-2) – Response to Submissions**

Thank you for your correspondence via the Major Projects Portal on 1 November 2024, requesting Transport for NSW (TfNSW) to review and comment on the above.

**Drop off and Pick up management for the Expansion of land uses on level 1**

Comments

The applicant's Response to Submission states the following:

*"Confirmation that there is sufficient capacity within the Harbourside slip lane to cater for the vehicle queuing that could be anticipated in modelling of the worst case scenario, confirming that there is no impact on Darling Drive and the road network. Suitable and typical traffic management measures are also expected to be adopted to control and manage vehicle service times during event/conference scenarios."*

Recommendation:

It is requested that the applicant be conditioned to the following:

*"Prior to the issue of the Construction Certificate, the applicant shall prepare a Drop off and Pick up management plan, in consultation with TfNSW, for the additional demand likely to generated by the proposed event and conference uses, taking into consideration the commuter peak as well as other concurrent events within the precinct. This plan shall include physical devices/ measures to assist with queuing management. The final copy of this plan shall be submitted for TfNSW endorsement."*

If you require clarification on the above, please don't hesitate to contact Para Sangar, Senior Transport Planner on 0466 024 892.

Yours sincerely
