**MODIFICATION APPLICATION 12 PENRITH LAKES - DA2
89-151 OLD CASTLEREAGH ROAD, CASTLEREAGH**

Dear Ms. Fishburn,

Thank you for providing Transport for NSW (**TfNSW**) an opportunity to comment on modification (**Mod**) for Penrith Lakes DA3 at 89-151 Old Castlereagh Road, Castlereagh. TfNSW has reviewed the Mod and notes that:

- It seeks to modify DA2 (Modification 12) and DA3 (Modification 9) by supporting the importation of fill to increase the average level across the site.

However, the Mods do not propose to change hours of operation (0600 to 2100 Monday to Friday and 0600 to 1500 Saturday), with truck movements, volumes, and accesses arrangements (including timings) being consistent with the existing consent.

As such, TfNSW advise that the Mod will unlikely have an impact on the surrounding classified road network and TfNSW has no further comment.

For more information regarding the above matter, please contact Nav Prasad, Land Use Planner via email at development.sydney@transport.nsw.gov.au.

Yours sincerely,
