Subject: Penrith Lakes DA2 Modification 12 (DA86/2720) – Modification Report

Dear Christopher Eldred,

I refer to your request for advice sent on 11 November 2024 to the NSW Department of Climate Change, Energy, the Environment and Water- (DCCEEW) Water Group about the above matter.

Penrith Lakes Development Corporation is seeking approval for a modification to increase the maximum importation of material to 22.7 million tonnes with the aim to increase the flood immunity of the site against a 1 in 500 yr ARI flood event.

NSW DCCEEW Water has reviewed the Modification Report and has no comments.

Should you have any further queries in relation to this submission please do not hesitate to contact DCCEEW Water Assessments at water.assessments@dpie.nsw.gov.au

Yours sincerely,

A handwritten signature in black ink, appearing to read "Rob Brownbill".
