Advice on Environmental Impact Statement – State Significant Development

Proposal: Crows Nest OSD Site B

Major Project reference: SSD-61400212

Received: 12 November 2024

Dear Paula,

Thank you for your referral seeking advice on the above State Significant Development proposal.

In preparing this advice Heritage NSW has reviewed the letter detailing the existing Development Approvals for the site provided with the EIS. Heritage NSW agrees that Aboriginal Cultural Heritage matters were assessed and addressed under the approved Crows Nest Over Station Development (SSD-9579) and the Sydney Metro – Chatswood to Sydenham (SSI-7400) approvals. Heritage NSW recommends that post approval any Aboriginal Cultural Heritage matters are managed in accordance with the approved Construction Heritage Management Plan: Sydney City & South West Metro Crows Nest Station (SSI-7400).

Please note that the above comments relate only to Aboriginal cultural heritage regulation matters. If you have any questions about this correspondence, please contact Alison Lamond, Manager at Heritage NSW on (02) 9873 8500 or heritagemailbox@environment.nsw.gov.au

Yours sincerely,

Corey O'Driscoll
