Comment on the Secretary's Environmental Assessment Requirements (SEARs)

Dear Pragya,

The NSW DCCEEW Water Group has developed standard input to SEARs for SSD and SSI projects. Please see Attachment A for detailed requirements.

If any of the requirements do not apply to this project, the proponent should describe why in a short statement.

Should you have any further queries in relation to this submission please do not hesitate to contact Water Assessments at water.assessments@dpie.nsw.gov.au.

Yours sincerely
