**REQUEST FOR SECRETARY'S ENVIRONMENTAL ASSESSMENT REQUIREMENTS  
PROPOSED GUILDFORD WEST BATTERY ENERGY STORAGE SYSTEM  
MCCREDIE ROAD, SMITHFIELD**

Dear Ms Fishburn,

Thank you for providing Transport for NSW (**TfNSW**) an opportunity to comment on the Secretary's Environmental Assessment Requirements (**SEARs**) for the proposed Guildford West battery energy storage system for McCredie Road, Smithfield.

TfNSW has reviewed the draft SEARs that include a transport and traffic impact assessment component to be included as part of the future Environmental Impact Statement (**EIS**). TfNSW notes that the draft SEARs cover all traffic and transport requirements for the future EIS.

As such, TfNSW has no further inclusions or comment.

If you have any further questions regarding the above matter, James Douglas, Land Use Planner, would be pleased to take your call on (02) 9983 3987 or via email at [development.sydney@transport.nsw.gov.au](mailto:development.sydney@transport.nsw.gov.au).

Your sincerley,

**Brendan Pegg**  
Senior Manager Land Use Assessment Central and Western  
Transport Planning, Planning Integration and Passenger Division
