**ADVICE ON ENVIRONMENTAL IMPACT STATEMENT (EIS) FOR GELNDENNING DATA CENTRE
2 GLENDENNING ROAD, GLENDENNING**

Dear Ms Fishburn,

Thank you for providing Transport for NSW (**TfNSW**) an opportunity to comment on the Exhibition of Environmental Impact Statement (**EIS**) for the proposed data centre at 2 Glendenning Road, Glendenning. TfNSW advises that:

- The development proposes vehicle access and civil works to Glendenning Road (**local road**). Glendenning Road is under the care and control of Council as the relevant Road Authority. As such, TfNSW recommends that Council should be satisfied with the design, layout and proposed access arrangement including swept path movements of the development.
- The development proposes a traffic generation increases of **83 AM peak trips** and **75 PM peak trips**, which will unlikely impact the surrounding classified road network.

As such, TfNSW has no further comment on the EIS.

Should you have any questions regarding the above matter, please contact Zeliha Cansiz, Development Assessment Officer, on phone 0460 427 977 or via email at development.sydney@transport.nsw.gov.au.

Your sincerely,

Brendan Pegg
Senior Manager Land Use Assessment Central and Western
Transport Planning, Planning, Integration and Passenger Division
