Dear Ms. Fu,

**SSD 8699 Redevelopment of Greenwich Hospital (Concept)**

Thank you for your correspondence via Major Project portal (ref: PAE-845) on 22 October 2019, requesting Transport for NSW (TfNSW) to review and comment on the above.

The Response to Submissions (RtS) report states that the bus stops located outside the site's north western boundary are the nearest facilities to be used by the Senior Living residents. The proponent also confirms the preferred route, as presented in Figure 3 of the RtS report is suitable for people with disability accessing between the bus stops and the site. On this note it is recommended that adequate way-finding signage and strategy should be provided to the future residents of the proposed development.

Thank you again for the opportunity of providing advice for the above development application. If you require any further information, please don't hesitate to contact Billy Yung, Senior Transport Planner, via email at [billy.yung@transport.nsw.gov.au](mailto:billy.yung@transport.nsw.gov.au). I hope this has been of assistance.

Yours sincerely
