Dear Rita,

RE: REQUEST FOR ADVICE - BURROWAY SOLAR FARM RESPONSE TO SUBMISSIONS AND DRAFT CONDITIONS OF CONSENT (SSD-55968733)

Narromine Shire Council staff have reviewed the 2 items and provide the following comments:

Response to Submissions

Council is satisfied that sufficient further information has been provided on the project and in relation to the matters raised in the NSC submission to the EIS.

Draft Conditions of Consent

With reference to condition A15, whereby the applicant must enter a VPA with Narromine Shire, the terms of the agreement are not available at this time and are not able to summarise for Appendix 5 of the consent document. Negotiations are ongoing and we do expect to seek a Council resolution at the July/August meeting.

Should you wish to discuss this matter further please don't hesitate to be in contact with Council's Planning Department on 68889 9999.

Kind Regards,

Emma Yule
Manager Planning
