Brewongle Solar Farm - EIS exhibition (SSD-64834490)

Dear Mr Tsambos,

Thank you for your referral dated 21 May 2025 seeking WaterNSW's comment on the Environmental Impact Statement (EIS) for the Brewongle Solar Farm. WaterNSW has reviewed the EIS and found that the proposal is not located near any WaterNSW land, assets or infrastructure, therefore we have no particular comments or requirements regarding the proposal.

However, if required, the applicant will need to apply for a Water Access Licence (WAL) from WaterNSW for the extraction of water from existing or new groundwater bores. Any such request will be assessed at time of application.

WaterNSW requests the Department continues to consult with WaterNSW for any development that may impact on our assets, infrastructure or land, using the email address Environmental.Assessments@waternsw.com.au.

If you have any questions regarding this letter, please contact me at justine.clarke@waternsw.com.au.

Yours sincerely,

A handwritten signature in black ink, appearing to be "JC" followed by a flourish.
