Attention **Andy Nixey**

Dear Andy,

**Property: Hughes Avenue, Melrose Park South East**

**Proposal: Mixed Use in-fill affordable Housing**

**Reference: SSD-71558962**

Thank you for affording Jemena the opportunity to review the Planning Proposal for the Mixed Use in-fill affordable Housing development, I have reviewed the location of the Planning Proposal and undertaken a review of the documentation provided.

Jemena's has no high pressure natural gas transmission pipelines in the area, as such, Jemena does not anticipate that the proposed development will impact Jemena's high pressure natural gas pipeline, and vice versa. Consequently, Jemena does not wish to provide objections or further comments to the Planning Proposal.

If you have any questions or queries, please do not hesitate to contact the undersigned at [robert.campbell@jemena.com.au](mailto:robert.campbell@jemena.com.au) or 0404 885 742.

Kind regards,
