Subject: Gundry Solar Farm (SSD-48225958) - Amendment Report and Response to Submissions (RTS)

Dear Cameron Ashe,

I refer to your request for advice sent on 17 July 2025 to the NSW Department of Climate Change, Energy, the Environment and Water (DCCEE) Water Group about the above matter.

NSW DCCEE Water Group has reviewed the RTS and Amendment Report and the proponent has adequately addressed our previous recommendations. Water Group provides the below post approval recommendation to ensure compliance with the Guidelines for Controlled Activities on Waterfront Land.

Recommendation – post approval

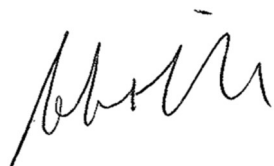

Department of Planning, Housing and Infrastructure should ensure the proponent's works within waterfront land are in accordance with the Guidelines for Controlled Activities on Waterfront Land.

Explanation

The project proposes works within waterfront land that must be designed and constructed in accordance with the Guidelines for Controlled Activities. This includes the proposed bed level crossings. The guidelines can be found here: <https://water.dpie.nsw.gov.au/our-work/licensing-and-approvals/controlled-activity-approvals/guidelines>

Should you have any further queries in relation to this submission please do not hesitate to contact the Water Assessments team at water.assessments@dpie.nsw.gov.au.

Yours sincerely

Rob Brownbill,
Manager, Water Assessments, Knowledge Division
NSW Department of Climate Change, Energy, the Environment and Water
