Dear Ms Ramsdale,

Jindera Battery Energy Storage System (SSD-68815961) (Greater Hume Shire)

Thank you for your Major Projects Planning Portal referral dated 18 August 2025, requesting WaterNSW's advice in relation to the Environmental Impact Statement (EIS) for the above project.

WaterNSW has reviewed the EIS and notes that the subject site is not located close to any WaterNSW land or assets. Also, as an SSD any flood works or licensing approvals will be assessed by others. As such, WaterNSW has no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of all developments that may impact on our assets, infrastructure or land, using the email address Environmental.Assessments@waternsw.com.au. If you have any questions regarding this letter, please contact me at alison.kniha@waternsw.com.au.

Yours sincerely
