**Advice on Response to Submissions and Amendment Report – State Significant
Development**

Proposal: Crows Nest OSD Site B

Major Project reference: SSD-61400212

Received: 2 September 2025

Dear James,

Thank you for your referral seeking advice on the above State Significant Development proposal.

Heritage NSW notes that Appendix 16 of the Amendment Report states that the proposed amendment will not result in any additional impact to Aboriginal cultural heritage, and that no matters were raised in our response to the Environmental Impact Statement requiring additional information as a part of the Response to Submissions. Heritage NSW agrees that Aboriginal cultural heritage matters were assessed and addressed under the approved Crows Nest Over Station Development (SSD-9579) and the Sydney Metro – Chatswood to Sydenham (SSI-7400) approvals. Heritage NSW recommends that post approval any Aboriginal Cultural Heritage matters are managed in accordance with the approved Construction Heritage Management Plan: Sydney City & South West Metro Crows Nest Station (SSI-7400).

Please note that the above comments relate only to Aboriginal cultural heritage regulation matters. If you have any questions about this correspondence, please contact James Cole, Senior Assessments Officer at Heritage NSW on (02) 9873 8500 or heritagemailbox@environment.nsw.gov.au

Yours sincerely,

Corey O'Driscoll
